

# Carrboro Music Festival

## Performer Application

(Deadline July 20th, 2010)

The Town of Carrboro is currently seeking musicians for its 13<sup>th</sup> annual free music festival on **Sept. 26<sup>th</sup>, 2010**. The CMF includes indoor and outdoor venues with sound systems manned by sound technicians. The only exceptions are a couple of small venues (with solo or duo performers) where the musicians run their own sound with systems we have provided.

**The selection committee attempts to strike a balance between our returning festival performers and first timers so please be aware that previous participation does not guarantee you a spot. We cannot accommodate everyone who applies to play.** Applications will be available from May 1<sup>st</sup> through July 20<sup>th</sup>, 2010. Applications received after the deadline will be placed on a waiting list. Tapes, CDs or website samples are required from anyone who has not played the CMF before. Musicians are encouraged to bring merchandise to their performance. **Please COMPLETELY fill in the information below!** Everyone will be contacted by mid-August when scheduling is normally complete.

*For more information, please contact Gerry Williams at: [musical\\_roots@bellsouth.net](mailto:musical_roots@bellsouth.net).*

Musician/Band Name (and size):

---

Style (in a few words)
